YACHT DALFAUN

The new Royal Cape Catamaran – Majestic 530 offers a combination of comfort, handling and stability on the water. The yacht's easy handling is its top features, earning its Majestic status. Guests will enjoy the large saloon and cockpit with outside dining area, and state-of-the-art Bait Station for the most demanding Sport Angler.

The galley-up design incorporates a spacious saloon and serving window overlooking the cockpit. The accommodation includes five double en-suite cabins, and Study with an optional berth in the study. After swims use the outside hot & cold fresh water shower on the transom steps. There is plenty of space on deck for sun-tanning and each bow has a seat.

GENERAL INFORMATION & CONDITIONS

- Combination packages are available in which you have a choice to spend a portion of your stay on land in beach side hotels as well as on the yacht.
- Please bear in mind that Mozambique, Tanzania and Madagascar are third world country and while every effort is made to compensate for this fact, a wide variety of supplies, spares etc are not available.
- Travel insurance is available to ensure that your investment in a holiday is secure in the event that unforeseen circumstances prevent you from taking up your reservation. Numerous other benefits are also included. Please ask us for details. More than highly recommended.
- All clients partaking on a tour do so at their own risk. We will not be held responsible for clients traveling without insurance. Please ensure that Medical and Travel Insurances are current and that all activities on the safari / charter are covered.
- Prices quoted are subject to change and can be affected by levy/price increase/currency fluctuations that are beyond our control. Prices are subject to change until the point of final payment.
- Normal cancellation policies apply should an individual/group fail to join or start the charter. This includes any delays or missed connections. We suggest that all have adequate insurance for any such event.
- Embarking on voyages between islands or atolls, selection of anchorages, snorkeling area and fishing areas are left to the Skippers' discretion and are based on his experience and extensive local knowledge / conditions and ultimately your safety.
- Every effort will be made to provide the experience the client has paid for but weather conditions, your safety and the safety of the yacht may result in the planned route changing. The main objective of the client will always be the skipper and crews' goal. Any variations to the prearranged plan, which is discussed on arrival, based on the weather conditions for the period of the charter. Any plans that might require changing on charter will be discussed with the clients and or group leader before any changes are made.
- Marine safaris acts as an agent, does not provide the final service thus is not responsible for the service provided. Should there be a discrepancy with the service sold in relation to the service received Marine Safaris will endeavor to ensure that a solution is found to determine the compensation that should be provided by the service provider.
- Drinks orders & special orders can be accommodated but must be ordered and paid for well in advance. Any surplus stock or any items purchased as part of the special order, if not utilized, are left at your own choice and are not refundable.
- Please note that all bookings made through Marine Safaris are subject to Marine Safaris Standard Terms and Conditions.
